Gift Certificates

When an ordinary gift won't work.... your gift-giving just got easier - and much more personal!

A 40 Bay Street Bed & Breakfast gift certificate is great for providing a memorable way to celebrate a special occasion. Gift certificates allow recipients to choose when they wish to come to our B&B - certificates have no expiration or restrictions on the dates when they can be used (as long as we have a vacancy).

Tight on time? Gift certificates are quick and east to order, and it takes the guessing out of what gift they would like. We can send a personalized gift certificate by e-mail that you can print off and give to the recipient, or we can send it with your best wishes, directly.

We will be glad to work with you to create a memorable bed & breakfast experience. Whether the recipient is a "water baby" or "snow bunny" - your gift will be unforgettable! In addition to staying at 40 Bay Street Bed & Breakfast, we can customize a perfect package for someone who is travelling on business, looking for a romantic getaway or just looking for a break. Sign up for our Newsletter and stay on top of what's happening in Parry Sound.

To order your gift certificate:

Step 1: Call or e-mail us to discuss your options.

Step 2: You choose the amount you want to give (if the recipient doesn't use the full amount on one visit, they can save the extra and use it for another getaway of their choice!) and provide payment. We accept VISA, MasterCard and American Express credit cards.

Step 3: Provide the details required to personalize the certificate, and tell us where and how to send the certificates (to you or to the recipients; by post or use our contact form on the contact us page).

Step 4: Upon receipt of their gift certificate, your recipient can call us to make arrangements for their unique retreat. And please remember, gift certificates never expire.
